Good afternoon—we are looking forward to our first workgroup meeting on Monday, August 28 from 10:30-12:30 here at DEP Central Office, 14th floor conference room. I've sent you a meeting notice for that date/time and also wanted to follow up with this email which includes some background material that may be helpful to you in preparation for our first meeting.

For this first meeting, the Local Areas Workgroup co-chairs, Lisa Schaefer (County Commissioners Association), Davitt Woodwell (PEC) and Steve Taglang (DEP) would like to open by learning more from you, our initial members, about your efforts with local engagement, at the planning and coalition-building levels. From there, we'd like to discuss the workgroup's charge and the process to move forward.

I've invited Chesapeake Bay Program office staffers Matt Johnston and Lucinda Power, who can provide us with technical assistance and answers to data questions as they arise in our meeting. Matt may be able to provide visuals (maps, impaired waters, etc.) if needed.

I'd also like to invite you to attend the next two WIP Steering Committee meetings on **August 24 and September 27 from 1-4PM**. These meetings will provide a lot of good data and information that will assist our workgroup with building a decision matrix that will help the WIP workgroups and steering committee define local planning areas for PA. Details on these meetings, as well as background info from previous Steering Committee meetings, can be found at: <http://www.dep.pa.gov/Business/Water/Pennsylvania%e2%80%99s%20Chesapeake%20Bay%20Program%20Office/WIP3/Pages/WIP-Steering-Committee-Actions.aspx>

Our PA Chesapeake Bay Office WIP Webpage is in development and also will provide a lot of good background info: [http://www.dep.pa.gov/Business/Water/Pennsylvania%e2%80%99s%20Chesapeake%20Bay%20Program%20Office/WIP3/Pages/Phase-III-WIP-\(Watershed-Implementation-Plans\).aspx](http://www.dep.pa.gov/Business/Water/Pennsylvania%e2%80%99s%20Chesapeake%20Bay%20Program%20Office/WIP3/Pages/Phase-III-WIP-(Watershed-Implementation-Plans).aspx)

Thanks!
Kristen

Subject: PA WIP Local Areas Workgroup Meeting Dates/Times

Importance: High

Good afternoon—thank you for accepting the invitation to participate in the PA Phase III WIP Local Area Goals, Priority Areas and Practices workgroup. We'd like to get started as a small workgroup with our first assigned task of developing a matrix that provides the other WIP workgroups and the Steering Committee with an objective evaluation methodology for prioritization/targeting. From there, we will build our workgroup membership as decisions are made about local areas and priorities.

For this first meeting, the co-chairs, Lisa Schaefer (County Commissioners Association), Davitt Woodwell (PEC) and Steve Taglang (DEP) would like to open by learning more from members about your efforts with local engagement, at the planning and coalition-building levels. From there, we'd like to discuss the workgroup's charge and the process to move forward.

Could you please take a moment to let me know your availability? We are hoping to meet in the next week or so, in order to give other workgroups as much information as possible by their next meeting in mid-September. Please fill out the attached doodle poll to let me know if you are available on the following dates/times: <http://doodle.com/poll/2y5va2w2cqkzdpkt>

Thanks!

Kristen
